Dear Voting Member,

**Re: Nominations for President Elect, Vice-President Elect,
Treasurer/Secretary and At-Large Positions:
Board service commencing January 2019**

The next General Assembly of the World Heart Federation will take place on **Friday, 7 December 2018**, during the World Congress of Cardiology in Dubai, with the election of the next President Elect, Vice-President Elect, and Treasurer/Secretary and six At Large positions as a major item on the Agenda.

You will find the following documents on our website:

www.world-heart-federation.org/board-nominations-2018

- Nomination forms for each position. The nominations should be signed by voting members and submitted **no later than Friday 6th July 2018**.
- An instruction sheet for completing nomination forms which outlines the qualifications and restrictions governing the positions to be filled.
- An extract from the Statutes of the World Heart Federation outlining the functions and duties of the positions.

We would remind our members that it is important to nominate candidates who will be able to make a significant contribution to the World Heart Federation and who are prepared to devote the necessary time and energy to performing their leadership role and attend the relevant meetings and events during their term. As a result of our members survey completed last year we seek candidates with additional skills, as outlined in the attached matrix ensuring strong candidates across all WHO regions. Please also confirm that your candidates have agreed to be nominated.

All nominations will be carefully considered by the Nominating Committee. The final slate will be announced three months prior to the election at the General Assembly.

Thank you for your involvement in this important process.

Yours sincerely,

Salim Yusuf
